CLUB NEWS

• Local Member's Visit

Mark Coure MP, Member for Oatley, made a welcome visit to our April Committee meeting to deliver a cheque following our successful 2017 State Government grant application. Mark's visit afforded the photo opportunity shown below.

• Tuesday Members' Help Sessions

A reminder that Vince Blayney is available on Monday afternoons between 1:30 and 2:30 pm at our Queens Rd computer rooms to assist with your Windows computer settings, security or maintenance problems. Thank you Vince for the excellent service you provide.

An additional service for members is now available on Tuesday afternoons. Tutors will be at Queens Rd to help where we they can with computer or tablet questions.

These sessions are charged at our usual rate of \$4 per hour.

To arrange an appointment, send an email to vincessages@gmail.com for Mondays and bookings@hurstvillescc.org.au for Tuesdays.

MAY MEETING

At our May meeting, Geoff Turton will address the questions "why?", "what?", "when?", "where?" and "how?" in a presentation entitled "Thoughts on Backing Up".

APRIL MEETING

Ray Hart, ASCCA's Training Officer, described and demonstrated how the original SMS (short message system) service available on mobile phones has evolved into services like Instagram, Snapchat, WhatsApp and Facebook Messenger.

These services enable communication via voice and video, in addition to text, between parties on the same services. Facebook Messenger even allows recording and playback of communications in a Facebook page.

All tutors are invited to attend this month's Committee Meeting at 10:00 am on Wednesday 31 May 2017.

THE CLUB

2

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Tuition is held during week-days in an informal atmosphere - cost being a minimum. We are an entirely voluntary organisation, the aim being to help fellow Seniors.
