HSCC 20th ANNIVERSARY YEAR

PLANNING OUR WAY FORWARD

Following this month's Committee meeting, tutors and group leaders are invited to attend at 11:00 am on Wednesday 28 February to contribute to planning how we can provide tuition in the various types of communication technology and social media for which members and prospective members are currently seeking our assistance.

While our main focus is still on Microsoft Windows systems and applications, we are receiving more requests for help with applications on Apple and Android smart phones and tablets and using smart TV systems. Suggestions on how we might be able to meet the demands posed by new technology will be welcome.

COMING UP

All members are invited to attend the following events scheduled at the Club in the near future.

Wednesday 28 March at 1:00 pm - Vince Blayney will talk on "Computer Maintenance and Security"

Wednesday 25 April - Since the scheduled date for our April members meeting coincides with Anzac Day this year, our April meeting has been cancelled.

Wednesday 30 May at 1:30 pm - We will be celebrating our Club's 20th anniversary.

Tuesday 6 March at 1:30 pm – Geoff Turton will demonstrate the Microsoft Photos app that comes with Windows 10.

FEBRUARY MEETING

Riza Veloso, who is currently a PhD candidate at the University of NSW, will be our guest speaker in February. Riza's interest is in music psychology and her research involves investigating how people in the

general population respond to music, then applying these findings to research involving people with dementia. Her goal is to improve the wellbeing and mental health of the ageing population. Riza is currently seeking older individuals (without dementia) to complete a university approved online survey. She is interested in this particular age group's relationship to music.

JANUARY MEETING

Uma Chandrasekaran from Department of Human Services' Financial Information Service (FIS) gave us an informative presentation on "Accommodation Options in Retirement".

Uma's talk covered:

- Choosing whether to own or not,
- How financial options can alter your choice,
- Centrelink assessment for each choice, and
- Financial advantages and disadvantages.

Upcoming FIS seminars on this topic are listed at <https://tinyurl.com/y89f4ks3>

THE CLUB

2

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Tuition is held during week-days in an informal atmosphere - cost being a minimum. We are an entirely voluntary organisation, the aim being to help fellow Seniors.
