### HSCC 20th ANNIVERSARY YEAR

#### NSW SENIORS FESTIVAL

Georges River Council has organised a varied program of activities for this year's Active Seniors Festival between 3 and 29 April 2018.

On Tuesday 10 April, between 10:00 am and 12:00 noon at 91 Queens Rd, Hurstville, members of Hurstville Seniors Computer Club will be on hand to help Seniors in “Learning about hand-held devices”.

If you are available on that day to share your knowledge of smart phones or tablets, or assist with morning teas, please feel free to drop in for an hour or two.

#### NO MEETING IN APRIL

Because the scheduled date for our April meeting (25 April 2018) coincides with Anzac Day, our April Committee and General meetings have been cancelled.

#### WHAT ARE SMART DEVICES?

A **smartphone** is a mobile telephone with an integrated computer and other features not originally associated with telephones, such as an operating system, Web browsing and the ability to run software applications

A **smart TV** is a television set with integrated Internet and interactive web features. Smart TV is a technological convergence between computers and flatscreen television sets and set-top boxes.

#### MARCH MEETING

**Vince Blayney** will talk about “Computer Maintenance and Security”, including what simple but important steps you can take to keep your computer in good working order and how to avoid becoming a victim of viruses, malware and scams.

#### FEBRUARY MEETING

In the absence of our scheduled guest speaker, **Geoff Turton** presented a couple of general-interest topics.

- <https://www.gcflearnfree.org/> is a great place to find quality tutorials and videos on a wide range of computer systems and applications, internet and social media subjects, free of charge.
- “How can I backup photos from my iPad to Google Photos in the cloud?” has become a commonly asked question.

The basic steps are:

1. Connect iPad to the internet.
2. You need a free Google account and a free Apple ID.
3. Download and install the Google Photos app from the Apple App Store.
4. Open the Google Photos app and sign into your Google account.
5. “Backup & Sync photos from the iPad Camera Roll.

## THE CLUB

2

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Tuition is held during week-days in an informal atmosphere - cost being a minimum. We are an entirely voluntary organisation, the aim being to help fellow Seniors.
