NEWSLETTER

November 2018

Member of ASCCA

Australian Seniors
Computer Clubs
Association

FROM THE PRESIDENT

I look forward to seeing you at our meeting on Wednesday 28 November when we will be celebrating with a Christmas Afternoon Tea, so please come along and join in the festivities.

There will be refreshments, fun and games and lots of lucky door prizes. All members are invited and especially those who are not usually able to attend our monthly meetings.

Lessons will cease at the end of this month so please check with your head tutors or group leaders for further details. Classes will resume in February 2019.

I would like to thank our dedicated hard working Committee, Group Leaders, tutors and helpers for all their efforts over the past year - I am sure they are looking forward to a well earned rest.

This is the last Newsletter for 2018 and, on behalf of the Committee, I wish all members a very happy and peaceful Christmas and all the very best for the New Year.

WHAT'S IN A NAME?

After our first 20 years of service to senior computer users in the St George area, it is a good time to update our newsletter header with a new name, slogan and logo to better reflect the broader range of technologies for which we now offer tuition.

We will be happy to receive your suggestions for a catchy new newsletter title and slogan and appealing logo design.

OCTOBER MEETING

Amber Dornbusch (Head of nbn™ local NSW/ACT at NBN Co.) gave us a most comprehensive and informative presentation on the roll out of the nbn™ access network and the various options available for connecting to it.

To find out when nbn™ access is expected to be available at your address, enter your address at <https://nbnco.com.au>. You have up to 18 months to sign up with a service provider once you have been notified that nbn™ access is available at your place.

SHORT COURSES FOR 2019

In 2019 we are aiming to introduce a range of one-on-one short courses, each course designed to be delivered in a single 2 hour session.

Covering mobile devices, searching the World Wide Web, using Gmail, specific computer applications and general computer skills, the courses will introduce new members to various aspects of computing and serve as refresher courses for existing members.

Full details will be available by our January meeting.

THE CLUB

2

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Tuition is held during week-days in an informal atmosphere - cost being a minimum. We are an entirely voluntary organisation, the aim being to help fellow Seniors.
