Vale – Margaret Ellen Butt

(19 December 1937 – 5 September 2017)

It is with sadness that we record the passing of Margaret Butt on 5 September 2017.

Margaret joined Hurstville Seniors Computer Club in 2003 as a student then volunteered as a tutor and subsequently as head tutor for Tuesday classes. Margaret also served as a committee member for several years.

Margaret's other main interest was with the Sydney International Exhibition of Photography where, in 2013, she received a Gold Award for outstanding service for over 40 Years, having served on the executive committee since 1969.

We acknowledge and appreciate the time and effort Margaret devoted to our Club.

OCTOBER MEETING

Julie Beadle from the Multisensory Communication research program at the MARCS Institute, Western Sydney University, will be our guest speaker in October.

Julie will talk about her PhD research project to examine how cognitive processes such as attention and memory are used when the elderly try to perceive speech in noisy environments as their hearing deteriorates, as well as how and when visual cues may aid understanding.

SEPTEMBER MEETING

Dominique and **Huw** from Sydney Microsoft Store gave an entertaining presentation on some of the key features of Windows 10 computers.

They also told us about the free services and short courses available for Microsoft products at the Microsoft Store, Westfield Sydney on Pitt Street Mall.

Appointments for free personal support with an Answer Desk expert or reservations for workshops can be booked online at the Microsoft Store website at <https://tinyurl.com/jr3aafv>

THE CLUB

2

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Tuition is held during week-days in an informal atmosphere - cost being a minimum. We are an entirely voluntary organisation, the aim being to help fellow Seniors.
