HSCC 20th ANNIVERSARY YEAR

FROM THE PRESIDENT

We are now preparing for our Annual General Meeting and, in accordance with the Club's constitution, nominations for committee members should be submitted to the Secretary by the close of the July General Meeting.

If you know a member who is willing to share their computer skills and knowledge, see if they would be willing to contribute to the Club as a committee member.

JULY MEETING

James Kelly from Owen Hodge Lawyers will be the guest speaker at our July meeting. James will address the subject "What happens to your social media accounts when you die" - an important topic for all senior computer users.

JUNE MEETING

Riza Veloso gave us a very interesting insight into her research into the subject of her PhD studies – how people suffering from dementia respond to music.

After some general comments on dementia, Riza showed the video "Alive Inside" (<https://goo.gl/13go7F>) which highlighted the positive impact music can have on some dementia sufferers.

IMPROVING GOOGLE SEARCH SKILLS

Google is now offering two excellent free online and self paced courses to develop and improve your Google search skills.

See "Power Searching with Google" at <https://goo.gl/NN7ss9> and

"Advanced Power Searching" at <https://goo.gl/sKx14v>

HSCC Members trialled Australia Post/Deakin University free online "Digital Discovery" courses

THE CLUB

2

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Tuition is held during week-days in an informal atmosphere - cost being a minimum. We are an entirely voluntary organisation, the aim being to help fellow Seniors.
