### SEPTEMBER MEETING

At our September meeting, **Mary Bills**, a Project Officer from COTA NSW (Council on the Ageing), told us about the services available through My Aged Care and her task to establish an information hub at 91 Queens Rd, Hurstville, in conjunction with Hurstville Seniors Computer Club, to support local seniors in accessing My Aged Care services.

Information hubs are designed to provide tailored information in a person's local community. Aged care expert staff and trained volunteers will be available to support, educate and assist people by informing and linking them with suitable aged care services. They aim to help local people build their own knowledge by guiding them through the steps from information to assessment to receiving care.

The hub will operate on the second and fourth Tuesdays of each month. Publicity for this service is being finalised and will be available shortly.
