### JANUARY MEETING

Alan Rourke from Fire and Rescue NSW presented a very entertaining and informative talk on fire safety in the home, which, amongst other things, emphasised the slogan

*Keep LOOKING when COOKING*

because the leading cause of home fires in NSW is leaving cooking unattended.

Alan also spoke about Safety Visits that can be arranged through a local fire station. A safety visit includes a check of your smoke alarms and replacement of batteries or provision of smoke detectors, if required, at no cost to the householder.
