Editorial

I hope everyone had a wonderful Easter holiday with family and friends and enjoyed an extra hour's sleep on Easter Sunday. Autumn has finally arrived – crisp cold mornings and warm sunny days.

Our guest speaker at last month's general meeting was **Kristy Hatcher** not James Kelly as previously advised. Kristy is a Wills & Estate Litigation lawyer with Owen Hodge Lawyers.

The main topic of discussion was 'What happens to our online world when we are gone'. Kristy also answered more general questions about Powers of Attorney and aged care facilities. A very competent and knowledgeable speaker.

At our April general meeting **Jean Martin** a volunteer trainer with ASCCA will be speaking about '**Spotify**', a digital music, podcast, and video streaming service that gives you access to millions of songs and other content from artists all over the world.

On 30 March **Ted Barnett** celebrated his 90th birthday. Thanks to members of the Friday Video editing class for organizing a cake for him. (No drinks included, just the cake.) Congratulations Ted.

Correction: Last month I reported that **Merv Larsson** resigned from the Committee and the Club in February. Merv has resigned from the Committee but remains a member of the Club and hopes to attend our monthly meetings

FUTURE MEETINGS

In May, **Alex Zaharov-Reutt**, one of our favourite guests, will return. Alex is the technology editor of iTWire and is one of Australia's best-known technology journalists and consumer tech experts, Alex has appeared in his capacity as technology expert on all Australia's free-to-air and pay TV networks, on all the major news and current affairs programs, on commercial and public radio, and technology, lifestyle and reality TV shows.

In June, NSW Police Officers, Ray Kerridge & Kim Fenwick, will talk about **scams** and will include information on types of scams, reporting scams and most importantly how to protect yourself from being scammed.

In July **Faye Yarroll**, a volunteer advocate helping the hearing impaired, will join us. Faye has an inspiring story to tell about living with two cochlear implants. Faye will be accompanied by her hearing dog.

Our **Annual General Meeting** will be held on the last Wednesday in August. We are currently seeking nominations for Committee members to fill vacancies due to current members not seeking reappointment. If interested please contact Pamela Samuels or Marj Madden.

THE CLUB

The Hurstville Seniors Computer Club was formed in April 1998 to teach Seniors how to use computers. Clubrooms are in premises provided by the Georges River Council in the Hurstville Seniors Centre. Due to the Covid19 pandemic tuition is currently suspended. General Meetings have resumed. Some special interest groups are now meeting. We are an entirely voluntary organization, the aim being to help fellow Seniors.

- I once worked at a cheap pizza shop to get by. I kneaded the dough.
- My friends and I have named our band 'Duvet'. It's a cover band.
- I lost my girlfriend's audiobook, and now I'll never hear the end of it.
- Why is 'dark' spelled with a k and not c? Because you can't see in the dark.
- Why is it unwise to share your secrets with a clock? Well, time will tell.
- When I told my contractor I didn't want carpeted steps, they gave me a blank stare.
- Bono and The Edge walk into a Dublin bar and the bartender says, "Oh no, not U2 again."
